VAPOR STRYKER SLAT TREADMILL

TRUE heritage and engineering come together to provide your facility with the TRUE Stryker Slat Treadmill. The Stryker features a running surface of vulcanized rubber slats that are more durable and require less maintenance than the conventional conveyor belt system of traditional treadmills. The individual shock-absorbing slats provide a running surface closer to the natural feel of outdoor running for those looking for a more realistic training experience.

FEATURES

- Less downtime and overall lower cost-of-ownership than traditional treadmill
- Requires less maintenance; no need for tracking adjustments, waxing, or flipping of deck with slat system
- Ergonomic pistol-grip handles with thumb controls and center pod with quick speed and incline keys
- Over-molded rubber slat belt with 62 individual slats and running surface of 22"/55 cm x 60"/152 cm
- Three emergency stops for safety (on console, center pod, and safety key)

SPECIFICATIONS
