RO™

QUICK-RELEASE FOOT STRAP

This patent-pending design enables exercisers to quickly insert their feet and pull up on the handle for a secure fit. A simple push of a button releases the strap for an easy exit.

DUAL RESISTANCE

Combined fan and magnetic brake resistance provide a broader range of resistance levels to accommodate everything from leisurely rows to grueling HIIT sessions.

MULTIGRIP HANDLEBAR

Multiple hand positions facilitate greater comfort and variety and more activation of chest, back and arm muscles.

ENHANCED CONSOLE

A dynamic calorie meter, plus real-time feedback on all performance metrics. Strokes per minute, watts and distance, motivate and engage exercisers to work hard.
