

HYPERWEAR WORKOUT SANDBAGS SANDBELL SYSTEM

HYPERWEAR®

Hyperwear workout sandbags combine multiple SandBell sandbag filler bags with exercise sandbags with handles – five or six sand bag weights for the price of one. Get a sandbag workout from day one with our SAND INCLUDED fitness sandbags. Our leak proof sandbag system is a perfect small space form of strength, core and stability training for your home gym, garage gym, fitness studio, crossfit box or outdoor bootcamp.

- Best sandbags for fitness with 3-6 versatile free weights included
- Sandbag Strength Training System ships with clean USA sourced sand for workout sandbags
- Proven patented SandBell leak-free performance for worry free indoor training
- Patented SandBell color coded weight system for quick and accurate adjustment
- Combined 8 handle sandbag and SandBell for more training possibilities than other sandbag weights
- Quality 1000D water repellant nylon and 100% nylon seat belt webbing for strength
- Slam or drag durability – just avoid rough surfaces
- “BEST WORKOUT SANDBAG” 2022 Men’s Health Fitness Awards
